
Conference - The 2016 Alpha Stem Cell Clinic Annual Symposium

Objective

The objective of this request for application (RFA) is to solicit a highly qualified applicant to assist CIRM in the planning and execution the first annual CIRM Alpha Clinics Symposium.

The CIRM Alpha Clinics were designed to provide critical operational support for the conduct of investigational stem cell therapy clinical trials and create a center of excellence for approved stem cell therapies. The clinics will provide focused resources and expertise in clinical research with novel stem cell-based products, and an array of critical clinical operations support and patient care coordination personnel and resources.

CIRM's Alpha Stem Cell Clinic Annual Symposium is a one-day conference designed to showcase the needs, status, and science taking place at the CIRM Alpha Stem Cell clinical trial sites in California.
